Blue Garnet

Blue Garnet is a social impact consulting firm based in Southern California. We exist to help leaders and their teams at a strategic inflection point dig deep, up their game, and focus on what matters most. For nearly 20 years, we have blended rigorous analytical insight with a passion for lasting social change, grounded in real-world sensibilities and a social justice lens. A team of pragmatic idealists, we help organizations solve complex social problems by taking a macro, systems view that taps strengths and builds capacity of organizations and leaders.
